

# *Eisenhower Park Rose Garden Memorial Policy*

*Fall 2021 Updated Pricing*

*Due to the large variety and styles of existing memorials, our policy has changed. We would like a more uniform design conducive to the nature of the garden. All memorials must fit these guidelines. Any exceptions must be approved by the Eisenhower Friends of the Park Committee.*

*For those who wish to place a memorial in memory or honor of a loved one in the Rose Garden, we offer several options:*

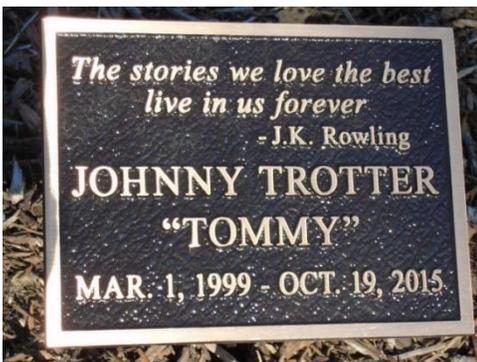

*A 6x4" bronze plaque with 4 – 7 lines, up to 30 characters/spaces per line, mounted on a stake in front of a rose bush.*

*Rose Bush - \$50.00*

*Bronze Plaque 4 Lines – \$198.00*

*Bronze Plaque 7 Lines - \$ 238.00*

*Rose varieties must be able to thrive in our area and are subject to the approval of the Eisenhower Friends of the Park Committee. A rose bush must be planted in its prime season between March and June but can be ordered at any time.*

*An 8x6 bronze plaque with 6 lines, 30 characters/spaces per line, mounted on a stake, in front of a tree.*

*Tree - \$125.00*

*Bronze Plaque - \$303.00*

*A tree must be planted between April and October. All special request plantings must be trees that will thrive in our area and are subject to the approval of the Eisenhower Friends of the Park Committee.*

***Our Rose Garden area of the park is almost full, but there are many public areas near the garden or along the walking trail, pool or playground that would make a nice location. If a site cannot be found to your liking, you may “adopt” one of our young trees for \$75.00 and put your plaque there.***

## ***Certificates***

*If you are interested in donating a rose, or tree to the Rose Garden, but do not wish to purchase a memorial plaque, a certificate and Parks & Recreation envelope will be provided upon request.*

## ***Benches***

*Benches are a permanent and lasting way to memorialize a loved one. They offer a restful place for reflection for many years to come.*

*4' Bench, color will be brown*

*We offer a commercial grade, 4 foot bench made with cast aluminum frames and eco-friendly recycled plastic dark brown colored slats. The bench may include a 10.5 x 3 inch bronze plaque that is attached at the top center slat. The bench will be installed on a concrete pad.*
