An important message from the City of Abilene*

The City of Abilene has selected Service Line Warranties of America (SLWA), an independent company separate from us,** an administrator of home emergency repair solutions to homeowners nationwide, to offer Exterior Water Service Line Coverage and Exterior Sewer/Septic Line Coverage to Abilene homeowners.

Many homeowners are not aware that they are responsible for certain repairs; for example, many Americans don't know that they are responsible to pay for repairs to water service and sewer/septic lines on their private property. Many homeowners are not prepared to handle the high costs of unexpected water service or sewer/septic line breakdowns.

These optional plans from SLWA can help protect you from the potentially expensive repair costs of water and sewer/septic lines on your property.

The enclosed information is provided to help you decide whether a plan from SLWA is right for you.

Please visit www.slwofa.com for frequently asked questions and links to additional information. You can also call SLWA toll-free at 1-844-257-8795 for more information, to sign up for coverage, or to opt out of any future SLWA mailings.
